Objective:

To secure a challenging position in a dynamic, result-oriented company that offers opportunities for learning, growth, and professional development. Committed to contributing to the organization's success while enhancing my own skills and creating meaningful value for both the company and myself.

Internships:

❖ Codegnan IT solutions PVT LTD	MAY 2023 – JUNE 2023
❖ SKILLDZIRE	MAY 2024 – JUNE 2024
❖ OASIS INFOBYTE	SEP 2024 – OCT 2024

Projects:

❖ Exploring the gallery of Capture Moment

To create a dynamic photo gallery where users can upload, organize, and browse captured moments. The gallery would allow users to categorize photos, view them in high-resolution, and explore them through filters and tags.
